Pursuant to MCR 7.206(E)(3), the Court orders that the petition filed by AFSCME Local 345 to enforce the June 30, 2006, decision issued by the Michigan Employment Relations Commission, which dismissed the unfair labor practice charges filed by Pamela Lewis, is GRANTED. Because Lewis failed to seek a timely review, it is conclusively presumed that the MERC's order is supported by competent, material, and substantial evidence on the record considered as a whole, and therefore, AFSCME Local 345 is entitled to enforcement of the order. MCL 423.216(e).
